PAVILLON DE

LESTRUELLE

HAUT-MÉDOC

Carefully selected by Patrick Bouey, owner of Châteaux Lestruelle and Maison Blanche, with Nicolas Meylan, Estates Manager, this wine has been created with the same careful finesse and requirement that apply to all other cuvees and estates for the Bouey Family Vineyards and Châteaux, a signature that is of the highest quality and excellence

Sourced and selected in the Listrac-Médoc vineyards, this wine is a blend of 66% merlot and 34% cabernet sauvignon grown on gravely and clayey-limestone soils. The vineyard is traditionally conducted based on sustainable farming rules and an environmentally friendly philosophy. Harvest is mechanical and winemaking is smooth, natural and traditional.

Elegance is the main characteristic of this wine, with delicate aromas combining well with a silky yet complex palate. Tanins are present, well-melted and rounded, supporting well delicate wood notes for a long lasting and complex finish structure. It is the ideal accompaniment to a grilled or cooked entrecote.
