

# Château CAZERAC

## AOC CAHORS

**THE ESTATE:** Château Cazerac is located in Anglars-Juillac, in the Lot valley, 30km West from Cahors. Since the XVth century, the Pélissié family has honored the tradition in this area. After « Sieur » Pélissié at the beginning of the XIXth century.

Antoine Pélissié at the end of the XIXth century, and Alban and Jean-Pierre Pélissié at the beginning of the XXth century, François Pélissié owns the Château Cazerac since 1987.

**SOIL:** The estate covers 38 hectares, with siliceous-clay and clay-limestone soils. Located in the Lot valley with a South West exposure, the vineyard provides Château Cazerac with the perfect balance between fleshy wines from the 2<sup>nd</sup> terrace, the “terrasse du Riss” created 200,000 years ago, and rich wines for aging from the 3<sup>rd</sup> terrace, the “haute terrasse du Mindel” created 500,000 years ago.

**GRAPE:** Malbec

A powerful and vigorous varietal, Malbec gets its best expression and outstanding character from the sunny lands and terroirs of its native Southwestern France vineyards of Cahors.

The average age of the vines is 20 years old.

**TASTING NOTES:** Château Cazerac presents a dark red color with delicate purple tints. Its nose is complex. The round, fruity and greedy palate delivers amazing red fruits notes. The tannins are present with softness.
