### TASTING NOTES

Color is purple red, deep and bright, and the nose expresses soft spices melted with red fruit. The palate is very pleasant with a soft texture, followed by a powerful aromatic expression, before a beautiful and long tasting finish, with the discreet red fruits hints recall from the nose.

Serve at room temperature.

“ Depuis toujours, nous aimons la simplicité, la nature authentique et la beauté de notre vignoble et de son environnement. C'est tout cela que nous voulons faire partager avec notre vin. ”
