Wine Spectator

“The Collection 'Les Parcelles de Stéphane Derenoncourt' has been created and crafted like an exceptional jewel based on the fundamental idea that a wine gets its richness and personality from the micro-terroir that it comes from. The parcel selection method takes into account the nature of the soil, the grape variety, the micro climate, the exposition to the sun, the dryness or humidity level of the soil and sub-soil. With the support of Stéphane Derenoncourt, the rising star of international winemaking consultants in Bordeaux, we have selected the best parcels and carefully aged the wines, in partnership with the growers and owners, we have created the final blends to give birth to premium wines characterized by their exquisite harmony.”
