## CHÂTEAU HAUT BOURCIER

### BORDEAUX

#### THE ESTATE

Philippe Bourcier manages with passion this family estate located in Saint-Androny, close to the Gironde estuary, few kilometers from Blaye. In order to share its passion for vines and wines, the Bourcier family diversified its activities in tourism with 5 guestrooms in the heart of the vineyard, in the family House called « Jean House ».

#### SOIL & WINEMAKING

Vineyard: 22 hectares

Sol: sandy and clayey-sandy

Average age of the vines: 25 years

Varietals: 93% Merlot, 7% Cabernet Sauvignon

Winemaking : Traditional in stainless steel vats with long maceration to obtain colour and fruity aromas, without falling into the trap of over extraction. Micro-oxygenation is conducted after fermentation when best

#### TASTING NOTES

Bright ruby color with purple hints. Nice fruity bouquet mixing vanilla, blackcurrant and declining slightly spicy notes. Its delicate well melted tannins perfectly match with mature fruits and spicy aromas. A round and fruity wine.

Chez Philippe Bourcier, la salle de dégustation et son feu aux parfums d'entrecôte appartiennent aux amis. Ici, le vin a quelque chose de sentimental et joyeux.
