Famille Bouey

Tradition, love, heritage, transmission, friendship, values, are all and have always been the most respected wealth within a family. Of all times, on all continents, in each and every family. Each generation contributes to build its own part of this treasure, leaving its footprint and cornerstone for future generations, inspired by the previous ones.

A treasure in a family is like a long lasting path... with sideways.

Within the Bouey Family, this philosophy has been shared for generations, and even more since 1821 when Jean Bouey initiated the family wine tradition in the Médoc vineyards.

In 2017, MAISON BOUEY President Patrick Bouey is creating the "TRÉSOR DE FAMILLE BOUEY" super-premium Cuvée as a tribute to his parents, grand-parents and all his forefathers before him who at each generations have brought their contribution to this treasure : a family dedicated to premium Bordeaux wines and to the land and tradition.

And because a treasure is best protected in a heavy vault and presented in a precious container, the "TRÉSOR de FAMILLE BOUEY" is designed as a vault door and comes in a heavy Bordeaux tradition iconic 19th century special bottle.

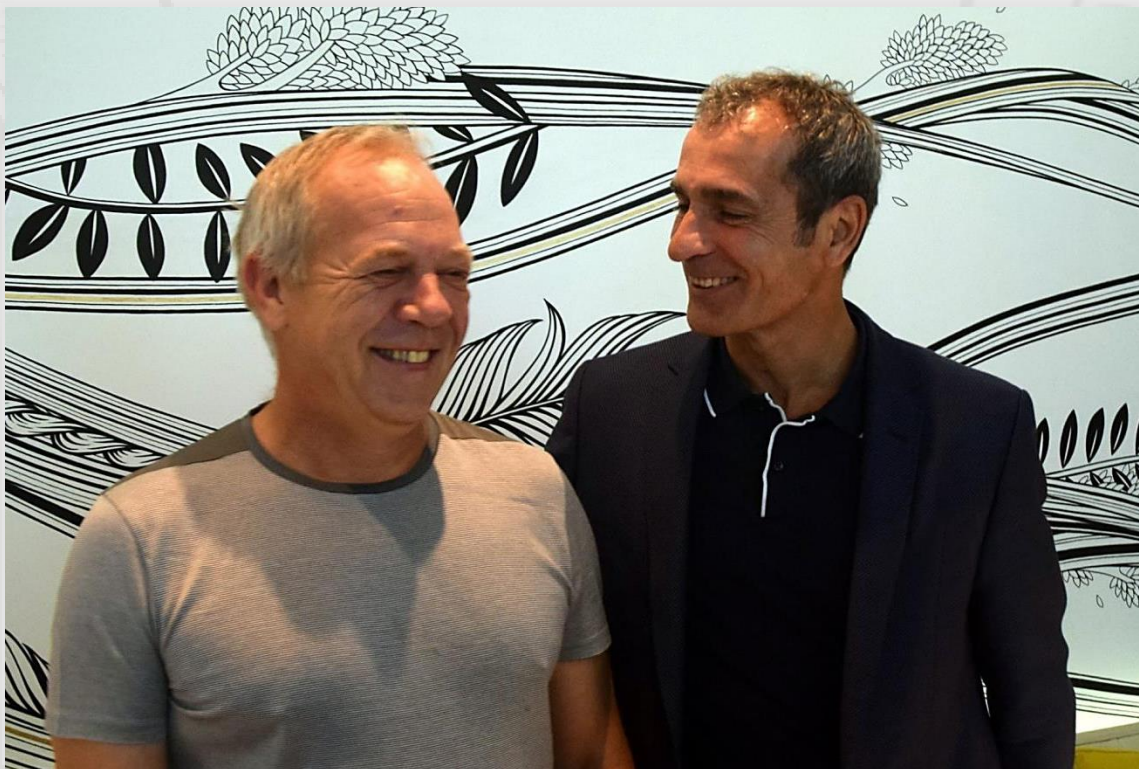

Famille Bouey

To create this “TRESOR de FAMILLE BOUEY” Bordeaux Supérieur Cuvée, Patrick Bouey has called in his friend and fame vine growing and wine making consultant Stéphane Derenoncourt. Both have worked very closely and carefully to source and create the best.

Because friendship is also a treasure, as important as family values.

Two handwritten signatures in black ink. The first signature is "Patrick Bouey" and the second is "Stéphane Derenoncourt".

**AOC Côtes de Bordeaux 2015 - 14%
Stéphane Derenoncourt signature**

Blend: 90% Merlot, 10% Cabernet Franc

Tasting notes:

« Trésor de Famille Bouey » unveils a deep ruby color. The nose is complex and offers nice ripe small red fruits aromas (cherry, blackberry) with slight spicy hints. The palate is round and silky with fine tannins. It ends with a nice and long finish of fruit and liquorice.
